

# DECLARATION OF INDEPENDENCE

## 1776 / 2026

**1776:**

WHEN in the course of human Events ....

WE hold these Truths to be self-evident, that all Men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty, and the Pursuit of Happiness— That to secure these Rights, Governments are instituted among Men, deriving their just Powers from the Consent of the Governed, that whenever any Form of Government becomes destructive of these Ends, it is the Right of the People to alter or abolish it, and to institute new Government, laying its Foundation on such Principles, and organizing its Powers in such Form, as to them shall seem most likely to effect their Safety and Happiness ....

The History of the Present King of Great Britain is a History of repeated Injuries and Usurpations, all having in direct Object the Establishment of an absolute Tranny over these States. To prove this, let Facts be submitted to a candid World.

( King George III wanted to expand his royal power, having the consent of the Parliament )

**2026:**

( The President of the United States wants to expand his power, having the consent of the Congress and the Supreme Court.

It is in this Declaration of Independence 1776/2026 that we wish to restore the Democracy of this government of the people, by the people, for the people, and restore the vision of the Founding Fathers to these United States of America. We submit these Facts of the Injuries and Usurpations, all having in direct Object the Establishment of an absolute Tranny over these States. )
